ABOUT "DONORS OF DISTINCTION"

The grand tradition of generosity that underscores Penn Presbyterian Medical Center's caring community began more than 150 years ago with the last wishes of a brave Union soldier. When his son Courtland was lost in the Battle of Antietam, Presbyterian minister Reverend Ephraim D. Saunders carried out his son's intent that the parcel of land they owned be donated to a charitable cause. This ground became the cornerstone of our hospital. The names engraved here serve as a tribute to the modern-day civic-minded leaders who, in the spirit of Rev. Saunders, have ensured the highest quality of medical care for the West Philadelphia community. We gratefully acknowledge our shared heritage of healing, especially for those in need, and celebrate the growing legacy of their dedication.

THE EPHRAIM D. SAUNDERS SOCIETY

Echoing the transformational philanthropic nature of our hospital's founder, these distinguished individuals have enabled Penn Presbyterian Medical Center to compassionately serve the community, and advance medical practice through their total lifetime support of $1 million and more.
