Cards for Sale

Proceeds from the sale of cards helps support Pre-departure Orientation Sessions and the purchase of books about Botswana for our lending library to familiarize Penn students, residents, fellows, faculty and staff with the culture and history of Botswana prior to travel.

The images depicted on the cards are of quilts from “Fiber Revolution,” the first American art quilt exhibition in Gaborone, Botswana that took place in November of 2008. (www.FiberRevolution.com)

All cards feature the image above and are blank on the inside and include a plain white envelope.
