Nonhuman Primate Models of SIV/HIV Infection
Co-hosted by Penn Center for AIDS Research and Tulane National Primate Research Center

Thursday, October 18, 2007
Auditorium/Lobby, Biomedical Research Building II/III
421 Curie Boulevard, Philadelphia, PA 19104-6160

Agenda
Thursday, October 18, 2007
1:00 - 1:15 p.m. WELCOME - Jim Hoxie and Andrew Lackner
1:15 - 1:45 p.m. NEUROPATHOGENESIS: Francisco González-Scarano, Session Chair
   Andrew Lackner, DVM, Ph.D.
   Professor of Microbiology/Immunology/Pathology
   Director, Tulane National Primate Research Center
   Francisco González-Scarano, M.D.
   Professor/Chair of Neurology, University of Pennsylvania
   "Host and Viral Factors in the Neuropathogenesis of AIDS"
1:45 - 2:15 p.m. Janice Clements, Ph.D.
   Director, Department of Molecular & Comparative Pathobiology, Johns Hopkins University
   "Innate Immune Response in the CNS: Induction of HIV/SIV Transcriptional Latency in Macrophages"
2:15 - 2:45 p.m. Dana Gabuzda, M.D.
   Professor of Neurology, Harvard Medical School
   Cancer Immunology and AIDS, Dana Farber Cancer Institute
   "Viral Variants and Monocyte Activation in HIV/SIV Pathogenesis"
2:45 - 3:00 p.m. BREAK
3:05 - 3:35 p.m. IMMUNOPATHOGENESIS: Steven D. Douglas, Session Chair
   Danny Douek, Ph.D.
   Chief, Human Immunology Section, Vaccine Research Center, NIH
   "HIV Disease Progression: Immune Activation, Microbes and a Leaky Gut"
3:35 - 4:05 p.m. Ron Veazey, DVM, Ph.D.
   Professor of Pathology, Tulane National Primate Research Center
   "Mechanisms of CD4 T-Cell Depletion in SIV infection"
4:05 - 4:35 p.m. Cristian Apetrei, M.D., Ph.D.
   Tulane National Primate Research Center
   "Acute Intestinal CD4+ T-Cell Depletion Is Not Predictive of SIV Virulence"
4:35 - 5:05 p.m. Ashley Haase, M.D.
   Professor of Medicine, Professor/Head of Microbiology, University of Minnesota
   "The Impact of Apoptosis on Innate and Adaptive Immunity in the Gut in Acute SIV Infection"

(Agenda for Friday, October 19th on reverse)

Sponsored by:

Office of AIDS Research
The Children's Hospital of Philadelphia
