PENN'S CENTER FOR AIDS RESEARCH

Research Retreat
For
Initiatives in International HIV/AIDS Research

April 20, 2001
University of Pennsylvania
BRB II/III Auditorium
421 Curie Boulevard
Philadelphia, PA 19104
Purpose

To identify research questions, geographic sites, potential investigators, funding opportunities, and resources at Penn, CHOP, and Wistar that could be developed to expand and/or develop research initiatives that focus on the problem of HIV/AIDS outside the United States.

..............................................................
