| Friday, January 27, 2017 | Giles Duffield, PhD University of Notre Dame  
“A Role for Inhibitor of DNA Binding Genes in Circadian Timing” | Smilow 10th Floor  
Conf Room 10-146AB  
Refreshments Provided |
| Tuesday, February 21, 2017 | Horacio de la Inglesia, PhD University of Washington  
“Take a Walk on the Wild Side of Sleep” | Smilow 12th Floor  
Conf Room 12-146AB  
Lunch served at Noon |
| Thursday, March 9, 2017   | Carla Finkielstein, PhD Virginia Tech  
“Connecting The Dots: The Rise of Non-Clock Core Components in Circadian Signaling” | Smilow 10th Floor  
Conf Room 10-146AB  
Refreshments Provided |
| Thursday, March 30, 2017  | Carl Johnson, PhD Vanderbilt University  
“As Time Glows by: Circadian Clocks from Molecules to Populations” | Smilow 10th Floor  
Conf Room 10-146AB  
Refreshments Provided |
| Thursday, April 13, 2017   | Frank Scheer, PhD Harvard University  
"Mechanisms underlying adverse health consequences of shift work" | Penn Sleep Center  
3624 Market Street  
Suite 201 Conf Room  
Lunch served at Noon |
| Thursday, May 18, 2017    | Mimi Shirasu-Hiza, PhD Columbia University  
“Off the Clock: Circadian-Regulated Physiologies in the Context of Disease” | Smilow 10th Floor  
Conf Room 10-146AB  
Refreshments Provided |
| Friday, September 8, 2017 | Jeff Donlea, PhD UCLA  
“An Excitability Switch Controls Sleep Homeostasis in Drosophila” | Smilow 12th Floor  
Conf Room 12-146AB  
Lunch served at Noon |
| Friday, September 15, 2017 | Smith L. Johnston, MD, MS NASA Johnson Space Center  
Title of Talk to be Announced | Smilow 12th Floor  
Conf Room 12-146AB  
Lunch served at Noon |
| Friday, October 27, 2017  | Mary Harrington, PhD Smith College  
"The Neurobiology of Fatigue" | Smilow 12th Floor  
Conf Room 12-146AB  
Lunch served at Noon |
| Thursday, Dec 7, 2017     | Paul H. Taghert, PhD Washington University in St. Louis | TBD |
