The Child and Adolescent OCD, Tic, Trich and Anxiety Group (The COTTAGe) at the University of Pennsylvania is pleased to announce our 2018 Clinical Training Workshop.

Dr. Martin Franklin, world-renowned expert in the treatment of pediatric OCD, OC Spectrum Disorders, and Anxiety, along with faculty and staff from The COTTAGe, will provide intensive instruction in the use of assessment and treatment techniques for pediatric OCD, including Cognitive-Behavioral Therapy (CBT) and Exposure and Response Prevention (EX/RP). These intensive workshops are designed for mental health professionals who would like to sharpen their knowledge of, and fundamental skills in, providing evidence-based treatments for OCD to youth in their own treatment settings.

**EXPOSURE & RESPONSE PREVENTION FOR PEDIATRIC OCD**
**MASTER CLINICIAN WORKSHOP**
**THURSDAY, FEBRUARY 22ND - FRIDAY, FEBRUARY 23RD, 2018**
9AM – 5PM

Participants will receive treatment materials, supporting resources, and refreshments. All fees must be paid at time of registration; cancellations made more than 2 weeks before the workshop date will receive a 50% refund.

This workshop will be co-sponsored by the Philadelphia Behavior Therapy Association (PBTA). PBTA is approved by the American Psychological Association to sponsor continuing education for psychologists. PBTA maintains responsibility for this program and its content. PBTA is also an authorized provider for Continuing Education credits for Professional Counselors, Marriage and Family Therapists and Clinical Social Workers licensed in the state of Pennsylvania. Those interested in receiving continuing education credits (CEs) through the Philadelphia Behavior Therapy Association (PBTA), can pay $60 (to PBTA) and receive 14 credits for the two-day clinician workshop for their attendance.
