The Child and Adolescent OCD, Tic, Trich and Anxiety Group (The COTTAGe) at the University of Pennsylvania is pleased to announce our 2018 Clinical Training Workshop.

Dr. Martin Franklin, world-renowned expert in the treatment of pediatric OCD, OC Spectrum Disorders, and Anxiety, along with Ph.D. level faculty and staff from The COTTAGe, will provide instruction in the use of Habit Reversal Training (HRT) for Tic Disorders and Trichotillomania. This intensive workshop is designed for intermediate and advanced level mental health professionals with a background in cognitive behavioral interventions who would like to sharpen their knowledge of and fundamental skills in providing evidence-based treatments for body-focused repetitive behaviors in their own treatment setting.

**Habit Reversal Training for Pediatric Trichotillomania and Tic Disorders**

**Master Clinician Workshop**

**Friday, June 15, 2018**

9AM – 5PM

Participants will receive treatment materials, supporting resources, and refreshments. The cost for our one-day workshop is $300, to be paid at the time of registration. Cancellations before Friday, April 6th will receive a 50% refund.

This workshop will be co-sponsored by the Philadelphia Behavior Therapy Association (PBTA). PBTA is approved by the American Psychological Association to sponsor continuing education for psychologists. PBTA maintains responsibility for this program and its content. PBTA is also an authorized provider for Continuing Education credits for Professional Counselors, Marriage and Family Therapists and Clinical Social Workers licensed in the state of Pennsylvania. Those interested in receiving continuing education credits (CEs) through the Philadelphia Behavior Therapy Association (PBTA), can pay $60 (to PBTA) and receive 7 credits for their attendance of the one-day clinician workshop.
