

WORKSHOP #2

ASSESSMENT AND REFERRAL FOR PEDIATRIC ANXIETY DISORDERS, OCD, TRICHOTILLOMANIA AND TIC DISORDERS

FEBRUARY 11, 2011

AGENDA:

Objective #1: To gain fluency in recognizing symptoms of pediatric Anxiety Disorders, Trichotillomania and Tic Disorders, including a working knowledge of some screening tools ideal for use in the school settings, medical offices, and other community settings.

Objective #2: To obtain sufficient information about the diagnostic symptoms and how to differentiate between typical development and other disorders in order to appropriately provide referrals.

Objective #3: To briefly review the current empirical evidence on the treatment of pediatric Anxiety Disorders, Trichotillomania and Tic Disorders.

Objective #4: To gain an understanding of the principles of Cognitive-Behavioral Treatment (CBT) for childhood Anxiety Disorders as well as the Habit Reversal Treatment (HRT) for Trichotillomania and Tic Disorders.

ATTENDEES: 25 person limit

REGISTRATION: Please call Aubrey Edson or Kristin Benavides at 215-746-3327 to reserve your place in the workshop. You may then fax or mail in a completed registration form and send your payment to the address below, with attention to Dr. Muniya Khanna or complete payment with credit card by phone with Aubrey or Kristin at 215-746-3327.
