<tr>
<td></td>
<td>Events occurring in PSOM auditoria can be projected live to the Smilow video wall (includes slides and video with sound)</td>
<td>Event presentations are live streamed using a generated URL for remote viewing and on-demand viewing after the presentation ends</td>
<td>Connection to the event from any device</td>
<td>Direct connection is not cloud based and utilizes equipment located within Penn Medicine’s infrastructure. Provides a more secure connection (best for meetings containing patient information)</td>
</tr>
</tbody>

<th></th>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Events scheduled in Smilow Rubenstein Auditorium and Smilow Commons receive priority</td>
<td>Security options are available (e.g. Penn Key authentication)</td>
<td>If moderator option is chosen, MTP technicians serve this capacity. Testing prior to the event is recommended for new users and meetings involving more than one remote connector. Testing prior to the event can be scheduled on weekdays between 8:00AM and 5:00PM at no charge</td>
<td>Moderators are MTP technicians. Set up and break down are required. On-site moderator is an option</td>
<td></td>
</tr>
<tr>
<td>Using the live streaming technology provides users with the option to have video-on-demand</td>
<td>Testing prior to event is required and can be scheduled on weekdays between 8:00AM and 5:00PM at no charge</td>
