**Part 7. PERCEIVED COERCION**

Instructions: The NHN will obtain a perceived coercion score ONE WEEK AFTER THERE HAS BEEN A CHANGE (UP OR DOWN) IN THE CASCADE LEVEL. Please note that “treatment” refers to mental health, substance abuse and HIV treatment. Provide response card for participant.

Check here if there has been no change in cascade level and skip this form

7.1 I feel free to do what I want about treatment (mental health, substance abuse and HIV).

Strongly Disagree	Somewhat Disagree	Slightly Disagree	Neither	Slightly Agree	Somewhat Agree	Strongly Agree	NANS	NASK
1	2	3	4	5	6	7	8	9

7.2 I choose to get treatment (mental health, substance abuse and HIV).

Strongly Disagree	Somewhat Disagree	Slightly Disagree	Neither	Slightly Agree	Somewhat Agree	Strongly Agree	NANS	NASK
1	2	3	4	5	6	7	8	9

7.3 It is my idea to get treatment (mental health, substance abuse and HIV).

Strongly Disagree	Somewhat Disagree	Slightly Disagree	Neither	Slightly Agree	Somewhat Agree	Strongly Agree	NANS	NASK
1	2	3	4	5	6	7	8	9

7.4 I have a lot of control over whether I get treatment (mental health, substance abuse and HIV).

Strongly Disagree	Somewhat Disagree	Slightly Disagree	Neither	Slightly Agree	Somewhat Agree	Strongly Agree	NANS	NASK
1	2	3	4	5	6	7	8	9

7.5 I have more influence than anyone else on whether I get treatment (mental health, substance abuse and HIV).

Strongly Disagree	Somewhat Disagree	Slightly Disagree	Neither	Slightly Agree	Somewhat Agree	Strongly Agree	NANS	NASK
1	2	3	4	5	6	7	8	9
