

MD / MBE Student Worksheet

Note: Planned curriculum must be approved by both the MD and MBE programs

NAME: _____

Overview: 9 courses are required for the MBE degree. Of those 9, 4 are required and 6 are student-chosen electives. MD students have the option to transfer in 2 MD courses. This worksheet should help you as you meet with your advisor and plan your course of study.

Course #	Title	Term
Required:		
1. BIOE 601	Intro to Clinical Bioethics (offered every Fall)	_____
2. BIOE 602	Conceptual Foundations (offered every Spring)	_____
3. BIOE 565 Rationing OR BIOE 580 Research Ethics		_____
4. BIOE 996	Final Project	_____
Electives:		
5. BIOE _____	_____	_____
6. BIOE _____	_____	_____
7. BIOE _____	_____	_____
8. BIOE XXX or 'Doctoring'*	_____	_____
9. BIOE XXX or 'FR601'**	_____	_____

* To receive 1 MBE credit for 'Doctoring,' the following must be completed: Doctoring I, Doctoring II, and a supplemental 5-10 page research paper.

** To receive 1 MBE credit for FR601, you must write a 5-10 page research paper and participate as a course discussion leader.

See Dr. Fiester, Director or Dr. Nora Jones, Assistant Director of Graduate Studies, Center for Bioethics about each of these options. You must make arrangements before taking the course for either of these to be a viable option.

Approved by Director of Graduate Studies, MBE _____ Date: _____

Approved by SOM Registrar _____ Date: _____
