GLOBAL HEALTH

YEAR OUT OPPORTUNITIES

• 3 months to 1 year
• **High resource:** Australia, France, USA (CDC), England, UAE, etc.
• **Low resource:** Gabon, CDC Hubert, Zambia, Asia, Doris Duke, etc.
• **Mentor-specific vs. open mentors:** Fulbright Fogarty & Fulbright
• Combination of activities possible
• Deadlines from September to January

• **Planning:**
  • What do you want to achieve?
    • Specific research focus vs specific geographic location
  • Review the CGH website for:
    • Funding ideas, student reports, deadlines
  • Meet with CGH, if needed: ayost@upenn.edu
