

**Perelman School of Medicine
Nano/Bio Interface Center
Pennsylvania Muscle Institute**

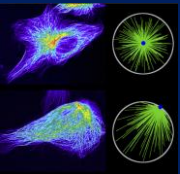

Building Cellular Complexity One Molecule at a Time

Research Retreat and Symposium

March 30, 2012, BRB Lobby and Auditorium

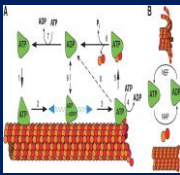

Register Online

Invited Speakers**

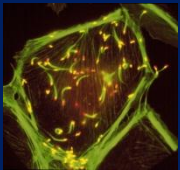

Alex Mogilner, Ph.D.

Departments of Neurobiology, Physiology and Behavior and Mathematics
University of California, Davis

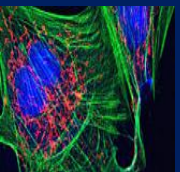

Joe Howard, Ph.D.

Director of Motor Proteins and Cytoskeleton
Max Planck Institute for Molecular Cell Biology & Genetics, Dresden

Julie Theriot, Ph.D.

Department of Biochemistry
Stanford University School of Medicine

Andreas Bausch, Ph.D.

Department of Molecular and Cellular Biophysics
Technische Universität Muenchen

**There will also be local speakers, including post-docs and students chosen from submitted poster abstracts.

Poster Session - All Attendees are invited to present a poster.

Online Registration - www.med.upenn.edu/pmi/nbic_registration_2012.shtml or contact
Jody Dantzig, Ph.D. at dantzig@mail.med.upenn.edu.

Organized by Haim H. Bau, Ph.D., Russell J. Composto, Ph.D., Yale E. Goldman, M.D., Ph.D.,
Erika L. F. Holzbaur, Ph.D., Phil Nelson, Ph.D., and John W. Weisel, Ph.D.
