

PENN Medicine

SoM Building

Announcement Notification
System

Building Announcement Notification System

- Web enabled “**opt-in**” for announcements regarding SoM building operations now available
- Notifications provide important information regarding building services and utilities, including shut-down notices, emergency announcements, and general updates regarding facilities.
- Announcements may have implications for the use of the School’s facilities - ***and require action on your part in response to the notification.***

Building Announcement Notification System

The process is simple:

1. Go to <http://my.med.upenn.edu> and login with your PennKey.
2. Select “Listserv Manager from the left hand column.
3. Click on the buildings for which you would like to receive announcements.
4. Logout in the upper right hand corner.

Building Announcement Notification System

- All individuals current receiving announcements have been transferred to the new system.
- Addresses that could not be verified have been deleted.
- All faculty and staff should sign-on and verify information.
- All Business Administrators are requested to visit the site to receiving notices for all buildings in which your organization is allocated space.

Building Announcement Notification System

Coming Soon:

Web-enabled emergency contact updater

Expect to roll-out in early 2010

Will be drawn upon occupant data in SoM space database
