ABOUT NICOLE MALONEY-BELLE

Nicole Maloney Belle MD, PhD received her medical and doctoral degree from the Washington University in St. Louis School of Medicine in 2013. She completed her residency and a three-year fellowship in gastroenterology at University of Pennsylvania Perelman School of Medicine in 2019. Dr. Belle stayed on as an Instructor of Medicine and has worked in the laboratory of De'Broski Herbert, PhD studying the role of LINGO proteins in intestinal repair and immunity. She was awarded the Department of Medicine Measey Physician Scientist Fellow in 2019 and a K08 award from the NIDDK in 2020 to continue her studies.

The meeting will start promptly at 10:00 am. Please be on time.
Everyone inside and outside of the division is welcome to attend.
