

Research Seminar

The hyper-personalized sense of taste & smell

Danielle Renee Reed, PhD

Associate Director and Member
Research Integrity Officer
Co-Chair, Research Grants and Discovery
Monell Chemical Senses Center

**September 7, 2023
12:00 PM – 1:00 PM
Room 901 BRB II/III**

Session will be in-person

Attendees will have the option to taste and smell stimuli relevant to nutrition but which are polarizing; some people can taste or smell them, and others cannot. The demos will also illustrate unmet biomedical research and clinical medicine needs for quick, reliable, and valid sensory testing.

Lunch will be provided

Meeting starts promptly at 12:00 pm. Please be on time.
