Ask the Clinician: "IBD"

Thursday, March 7, 2024
12:00 – 1:00 PM EST
901 Biomedical Research Building
Lunch is provided, all are invited.

We hope to see you at this in-person only seminar!

Drs. Aberra and Khan are active clinicians, both of whom care for patients with inflammatory bowel disease (IBD). In this session, they will answer any of your questions about the clinical syndromes and treatments, about the potential applications of your findings to patients, and about what they and patients wish you would study.

Please come armed with questions!
