## **Honoring Dr. King: A Forum on Public Safety, Police Reform, & Mental Health**

January 15<sup>th</sup>, 2020 12-1:30PM

### **BlueJeans Event**

Please join us for an expert panel discussion with Philadelphia community leaders about the current state of partnership and reform efforts within the Philadelphia Police Department, City Council, and the Department of Behavioral Health and Intellectual Disability Services (DBHIDS). The shooting of Walter Wallace Jr., among other Black people brings to light the need for CHOP clinicians and employees to have critical understanding of the intersection of emergency mental health care and public safety. The Patient and Family Services Department, Multicultural Professionals Network (MPN), and Department of Child and Adolescent Psychiatry and Behavioral Services (DCAPBS) Diversity and Inclusion Committee are honored to host Dr. Jacqueline Bailey-Davis, Philadelphia Police Department Staff Inspector (top left), Dr. H Jean Wright II, Director of Behavioral Health and Justice Related Services at the DBHIDS (top right), Councilman Curtis Jones, Jr., Majority Whip of the City of Philadelphia Council, (bottom left), and psychiatrist, Dr. Aateqa Ismail (bottom right).
