

9TH ANNUAL FOCUS ON NEUROENDOCRINE TUMORS ABRAMSON CANCER CENTER MARCH 6, 2020

We are celebrating our 52nd
anniversary on March 7, 2020!

We're the oldest NET
foundation in the U.S.
and in the world!

THE
**CARCINOID
CANCER**
FOUNDATION

- **1968 Carcinoid Tumor and Serotonin Research Foundation** incorporated as a not-for-profit corporation in NYS and granted 501(c)(3) tax-exempt charitable organization status
- **1995** Name changed to **The Carcinoid Cancer Foundation, Inc.**
- **1997** The CCF website launched: <https://www.carcinoid.org>

To increase awareness and educate the general public and healthcare professionals regarding carcinoid and

A close-up photograph of two hands holding a small, red, woven heart. The hand on the left is wearing a dark blue sweater, and the hand on the right is wearing a light brown jacket. The background is blurred, showing a hint of a green plant. The word "Mission" is written in a large, pink, cursive font across the bottom of the image.

Mission

related neuroendocrine tumors (NETs), to support NET cancer patients and their families, and to serve as patient advocates.

- ▶ Helped to found the first carcinoid/NET support group in 1996, and supported the formation of more than 25 groups in the years that followed
- ▶ Helped to fund NET research with grants for physicians in the United States, Europe, and Canada
- ▶ Created a database of over 2,000 NET patients
- ▶ CCF's **carcinoid.org** website has been visited by over 4 million people; visitors came from 91 countries around the globe

HOW WE HELP

- Toll-free support line
- E-mails
- E-newsletters
- Partnerships
- NET community app
- INCA

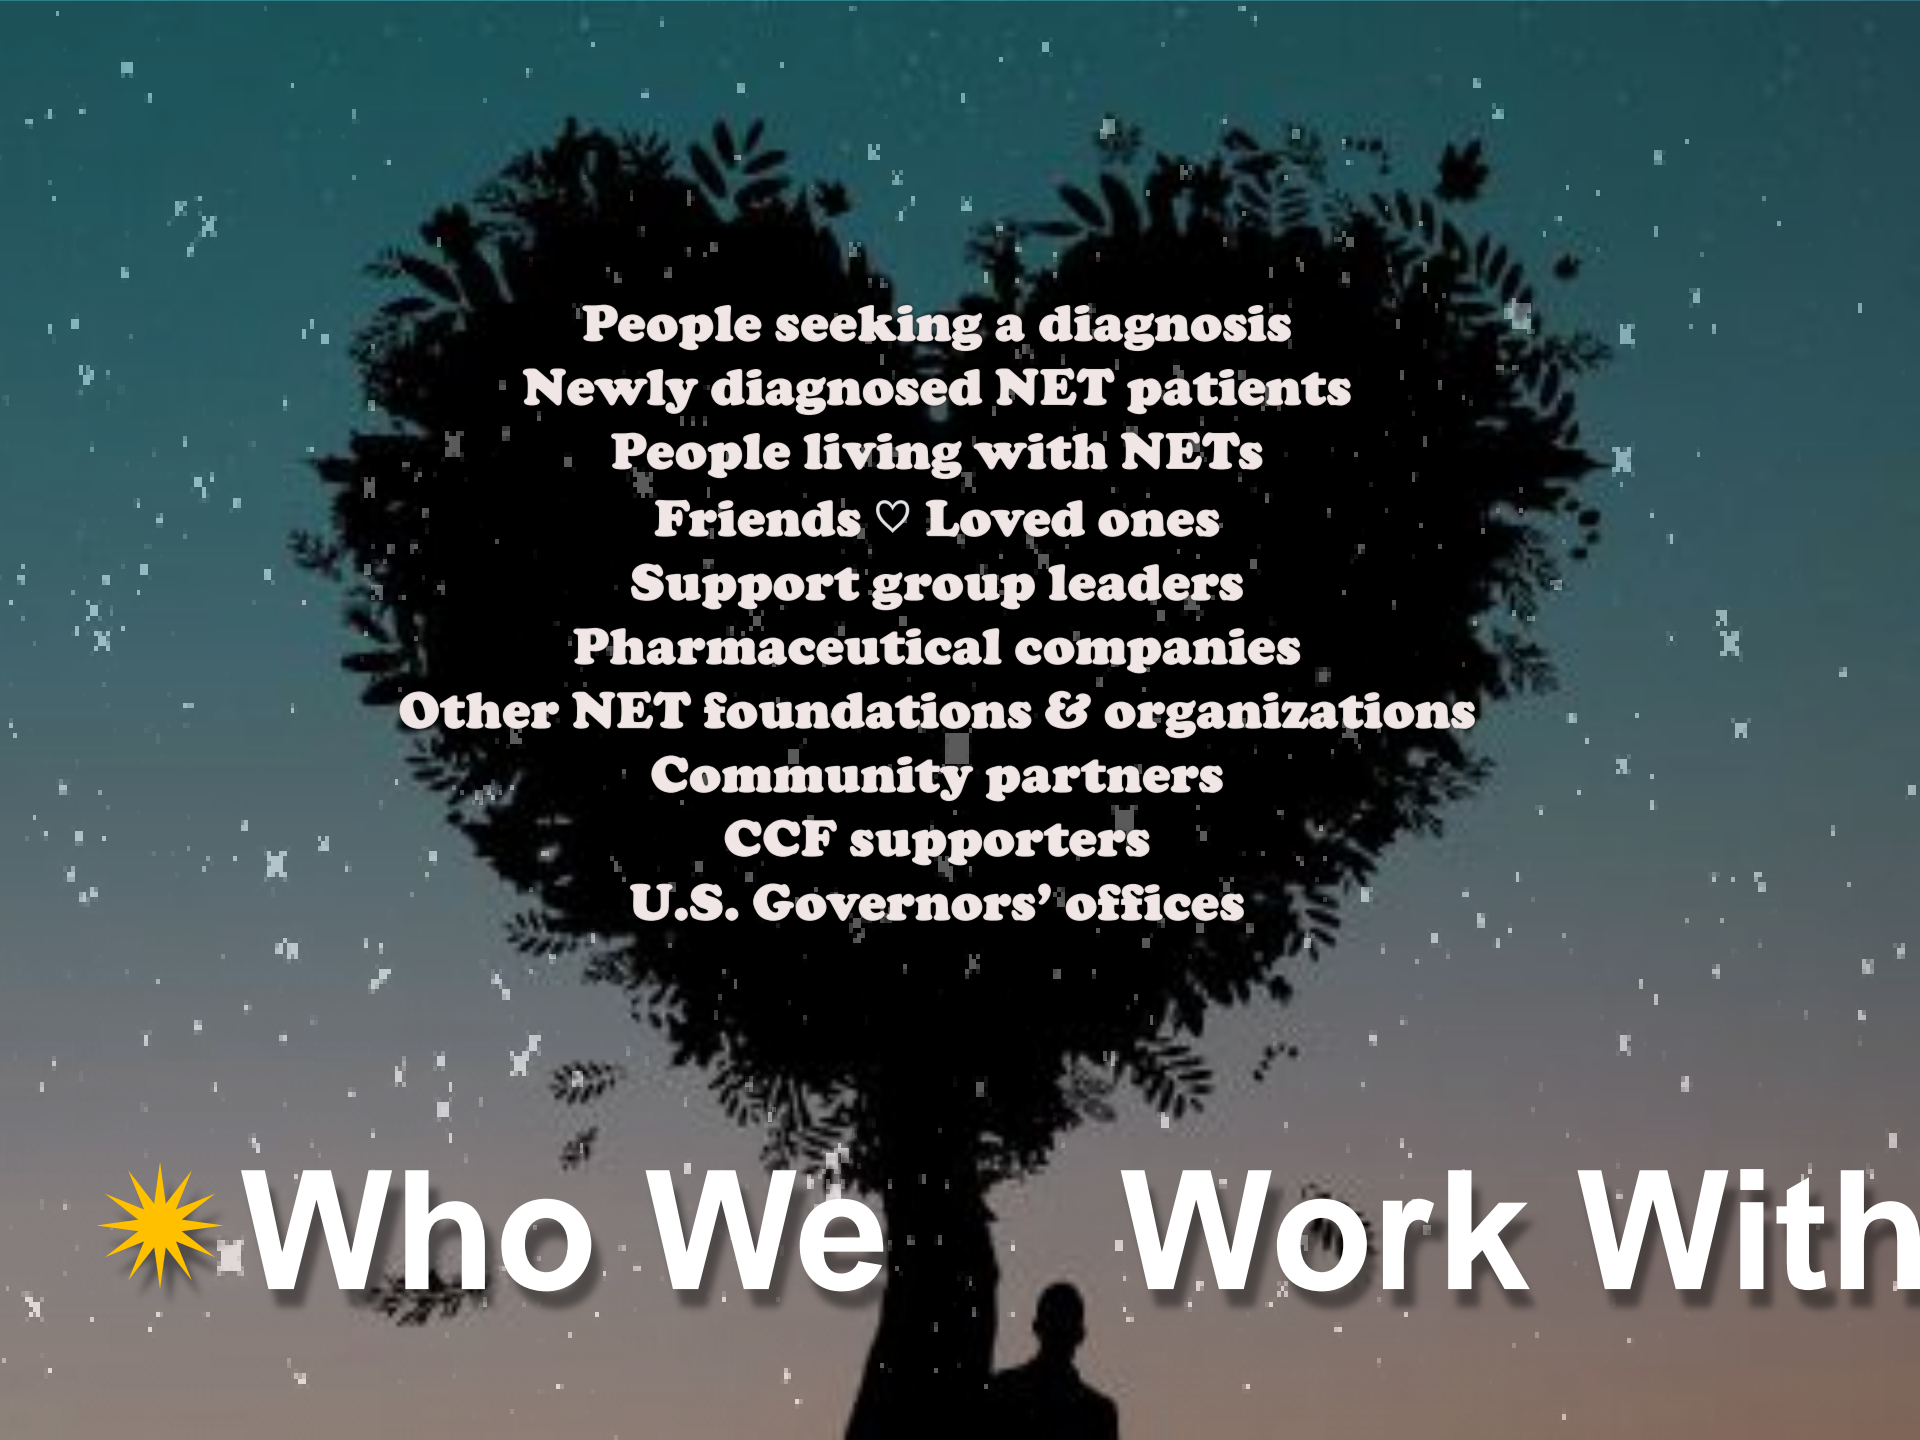

The logo for The Carcinoid Cancer Foundation is displayed on a dark blue rectangular background. It features a stylized, light blue geometric shape resembling a house or a mountain peak behind the text. The text is in white, with 'THE' in a smaller font, 'CARCINOID' and 'CANCER' in large, bold, sans-serif capital letters, and 'FOUNDATION' in a smaller font below them.
