

Penn Medicine Summer Programs

Elevate your summer research experience at Penn!

Undergraduate Research Opportunities at Penn:

[Summer Undergraduate Minority Research Program \(SUMR\)](#)

- Prepare and encourage top minority students to pursue academic and research careers in health services research and epidemiology

[Summer Undergraduate Internship Program \(SUIP\)](#)

- Intense research experience for students in graduate study in biomedicine and biomedical sciences

[Undergraduate Student Scholars Program \(USSP\)](#)

- Organized program of summer lectures and presentations combined with basic research experience in the laboratory of an expert investigator

[Clinical and Translational Science Award Summer Undergraduate Internship Program](#)

- Provides a substantial, mentored experience in translational and clinical approaches to understanding a disease and developing effective therapeutic modalities

[Conte Center Summer Undergraduate Research Experience - Neuroscience \(C-SURE\)](#)

- Study brain circuitry related to symptoms of schizophrenia

[Summer Undergraduate Research in Engineering \(SURE\)](#)

- Opportunities in engineering and the physical sciences including genomics and biotechnology

[Penn Undergraduate Environmental Health Scholars Program \(STEER\)](#)

- Students explore environmental health science through mentorship, coursework, and field experience

[Injury Science Research Experiences for Undergraduates \(REU\)](#)

- Underrepresented students obtain mentorship and hands-on research experience in engineering, behavioral science, education, population science and statistics as applied to pediatric injury science

[CHOP Research Institute Summer Scholars Program \(CRISSP\)](#)

- Provide students with theoretical knowledge, practical training in academic research, and critical exposure to pediatric-focused career trajectories under the direct mentorship of CHOP faculty

[Center for Engineering MechnoBiology \(CEMB\)](#)

- Interdisciplinary opportunity to develop research skills in physical science, biological science and engineering

Other Penn Programs for college graduates:

[Post-Bac Research Education Program \(PennPREP\)](#)

[Liberal and Professional Studies Post-Bac Pre-Health Programs](#)
