PostDoc opportunity at UMich with Drs. David Brang (https://sites.lsa.umich.edu/brang-lab/) and Zhongming Liu (https://libi.engin.umich.edu), to help us build computational models of cognitive/perceptual processes using ECoG and fMRI data. Interest in predictive coding and multisensory integration is a plus! https://careers.umich.edu/job_detail/196021/research_fellow
