Dear Dean Rubenstein

On behalf of all the members of the Association of Senior and Emeritus Faculty (ASEF) of the School of Medicine we wish to express our deepest gratitude and appreciation for your unfailing support of ASEF from its inception to the present time. Through your continual support in the last nine years ASEF has grown not only in size but also in the breadth of its activities and commitments to its membership.

As the time of your "retiring" from your current position is approaching we want to sincerely wish you happiness and good luck in your future endeavors.

Sincerely
