GENERAL ANNOUNCEMENTS

(NEW) - COVID-19 Requirements

Vaccinations. Penn students, faculty, and staff are required to be vaccinated. Students must upload their vaccine record through [Student Health](#). Information regarding current student immunization requirements can be found [here](#).

Masking/Testing. All members of the Penn community and visitors must wear masks while indoors in public or shared spaces. In addition, **twice-a-week** Penn Cares screening testing is required for members of our community who are not vaccinated or choose not to report their vaccination information. Learn more about student compliance with testing [here](#).

Gateway Testing Requirement for Current Students

As you are all aware, there has been a concerning increase of COVID infections due to the Delta Variant. In an effort to prevent the spread of the variant on campus, as you return to academic and clinical activities, you are required to be "[gateway tested](#)" – although the messaging from the University refers to "arrival" testing, the University is defining gateway testing as a COVID test

between July 7 and Sept 7 (without departing Philadelphia) for all students. [Here's the link to the Penn site describing this initiative](#). This testing REQUIRED, regardless of your vaccination status.

For those of you currently on campus, gateway testing can be performed via Penn Cares, which is managed by Student Health Services (SHS), anytime now.

If you are on campus or in Philadelphia AND plan on traveling outside the city for any reason, you will need to get tested upon your return to school.

To be clear: **EVERYONE** who will be on site this semester needs to have gateway testing by September 7, 2021. There will be no exceptions.

We really appreciate your efforts to help us preserve the health of our community in BGS and at Penn.

Additional questions can easily be answered by accessing this [FAQ](#) page. Please contact Judy Jackson (jajackso@penmedicine.upenn.edu) with any specific or individualized questions regarding this process.

We look forward to seeing you in person this fall!
