### **COVID-19 Testing and Vaccinations**

**Testing.** Graduate students who live on campus or come to campus each week must be tested. You may enroll in [Penn Cares Testing](#) or in [COVID SAFE](#) – but you should not be enrolled in both simultaneously. If you are working in a lab in CHOP, Wistar, or another affiliate and are NOT entering Penn/PSOM buildings, you should follow those entities' testing protocols and do NOT need to enroll in University testing. You may receive automated emails about testing even though you are not enrolled in Penn Cares Testing; you may ignore these emails.

**Red PennOpen Pass?** If you signed up for Penn Cares testing but are not scheduled for a weekly test, you may get a red PennOpen pass. You will need to schedule your weekly test in order to be given a green pass. If you are no longer coming to campus weekly or have switched to COVID SAFE, please email Judy Jackson, [jajackso@penndu.upenn.edu](mailto:jajackso@penndu.upenn.edu) to arrange to be un-enrolled from Penn Cares. Please refer to Perelman School of Medicine email of 1/25/21 4:24pm for more details about testing.

**Vaccinations.** Penn and the PSOM have begun rolling out vaccinations. Please refer to Penn's [Vaccinations](#) site for more information.

## **Racial Equity and Action Lecture (REAL) Series**

The NIH has launched the UNITE Initiative to institute new ways to support diversity, equity and inclusion and to identify and dismantle policies and practices that harm the workforce and science. Although the NIH has supported various programs to improve diversity in the scientific workforce, they acknowledge that these efforts have been insufficient and the goal of UNITE is to establish an equitable culture within the biomedical research enterprise and reduce barriers to racial equity in the biomedical research workforce.

The CAMB – Cancer Biology Racial Justice Working Group cordially invites you to a presentation titled:

***The NIH UNITE Initiative to Address Structural Racism in Biomedical Research by the Co-Chairs of UNITE***

Dr. Marie Bernard and her team will present for 45 minutes followed by 15 minutes Q&A.

**Date:** June 14, 2021

**Time:** 12-1pm

**Location:** <https://primetime.bluejeans.com/a2m/live-event/aefjxqcz>
