

## YOUR 2019 BIOMEDICAL GRADUATE STUDIES FELLOWSHIP AS “TAXABLE INCOME”

Your stipend and other non-course related fees, such as health insurance, are liable to federal income tax. Your liability for other fees covered by your fellowship such as general fees, are subject to interpretation and should be clarified with the IRS or your accountant. The dollar amount you should report depends on your year of matriculation and on the amount of your fees.

*Please note that the numbers provided below represent an approximate figure based on the average amount of funds paid to the student body. The BGS Office is not an authorized tax agency. You should seek professional advice concerning completion and interpretation of tax items.*
