Science Diplomacy

- Education

- *What is science diplomacy?* seminar series
- How does the UN work and why should scientists care?

- Opportunities

- Work on projects with the United Nations
- Trips
 - United Nations Science, Technology, and Innovation Forum in NYC
 - US State Department in Washington, DC

Science Communication

- Training and Opportunities
 - *SciComm* workshop series
 - Presentation skills, data visualization, social media, scientific writing, videos, podcasts, science comedy
 - Podcast working group
 - Interviews with scientists from Penn and elsewhere
 - Experience researching, writing/interviewing, producing podcasts
 - Blog working group
 - Write and edit pieces
 - Coordinate guest writers, curate series such as our recent series on artificial intelligence

Penn Talks Science
PSPDG Media Chair, Neuroscience PhD Student

All Episodes

- Vaccines and Social Networks: A Conversation with Dr. Damon Centola**
Welcome to the fourth episode of Penn Talks Science for our theme "Vaccines". Dr. Damon Centola joins us to discuss vaccines in the context of social networks and behavior change. Our interview with Dr. Centola was recorded in April 2021. This episode was...
Jul 26 - 26 min
- COVID-19 Vaccine Uptake: A Conversation with Chioma Woko**
Welcome to the third episode of Penn Talks Science for our theme "Vaccines". Chioma Woko joins us to discuss COVID-19 vaccine uptake in the United States. Our interview with Chioma was recorded in March 2021. This episode was created in cooperation with...
Jun 2 - 19 min
- Vaccine Nationalism: A look at past examples.**
Welcome to the second episode of Penn Talks Science for our theme "Vaccines". Now that the COVID-19 vaccine is available and being distributed, we are taking a look at vaccine nationalism. Currently, the countries with the highest vaccinations administered...
Apr 15 - 7 min
- Vaccines: An Introduction**
Welcome to the first episode of Penn Talks Science! This is the first episode of our first theme: The Theme of Vaccines. Before moving into more in-depth topics, we wanted to make sure that everyone had an idea of what vaccines are. This episode just...
Mar 9 - 7 min

About
Our mission is to bring science to all aspects of life such as policy making, diplomatic decisions and communication. Episodes of Penn Talks Science are going to be grouped into themes. Some episodes in each theme will feature students too. [See more](#)
