BHPC Application Instructions for BUP Travelers

Just as no person would be allowed to walk onto the wards of HUP or any other US hospital and begin treating patients without presenting their credentials, no one may practice in any hospital or clinic in Botswana without official permission. Any physician practicing medicine in Botswana is required to register with the Botswana Health Professions Council (BHPC) before seeing patients.

To register you must bring the following documents with you to Botswana:

- 4 x passport photos
- 1 x notarized copy of passport photo page
- 2 x letters of recommendation from doctors/supervisors you work with (letters to be original, no digital copies allowed by BHPC, dated no older than six months)
- 1 x notarized copy of your medical degree/diploma
- 1 x notarized copy of your state medical license/registration
- 1 x CV
- Copy of offer letter (provided in Botswana)
- Cover letter of application form (provided in Botswana)
- Application fee (P30 ≈ $3)

BUP staff will assist you in completing the application (pp 3-6 of this document) in country and take you to the BHPC on your first day during orientation to submit the forms and then again on the Wednesday following arrival to receive your approval.

**Note that you cannot practice medicine until the BHPC registration is completed.**

You should plan to arrive in Botswana on the weekend prior to when you plan to work so that your BHPC application can be turned in on Monday and you can receive registration certification on Wednesday afternoon. You will then be able to start to practice medicine on Thursday.

**Travelers who arrive in country after Monday WILL NOT be able to register until the following week!**

(Also – Be sure to bring the following instruction page, which is technically the first page of the application with you!)
