

FY18 RATE SCHEDULE

MRI HUMAN (CAMRIS)

| | |
|--|----------------|
| MRI (government sponsored study) | \$500 PER HOUR |
| MRI (industry clinical trial) | \$650 PER HOUR |
| MRI (investigator initiated clinical trial, non-industry) | \$500 PER HOUR |
| Prodev Tier 2 (studies must be scheduled no earlier than 72 hours prior to scan time and an open slot on the magnet) | \$250 PER HOUR |

Effective 1/1/18, there will be a \$50 rate increase on all MRI (govt funded)scans and a \$100 cancellation fee for repeated offenders who violate policy (if scan time is cancelled less than 24 hours in advance or no show)

OPTIONAL FEES

| | |
|--|--------------------|
| Contrast Injection | \$68 PER 20cc VIAL |
| Neuroreader Fee | \$55 |
| Protocol Qualifying Exam (Radiology retrospective) | \$50 PER SESSION |
| Protocol Qualifying Exam (Phantom) | \$150 PER SESSION |
| Protocol Qualifying Exam (Human) | \$450 Per Session |
| Biopsy Procedure Kit | \$160 |
| Biopsy Specific Needles | \$100 startup fee |
| Protocol assistance fee (RBA studies that need help with loading imaging protocol, training on scheduling) | |
| Technical assistance fee (RBA studies that need help from a research MRI tech) | \$100/hour |
| Nursing support | \$100/hour |
| RF coil support | \$80/hour |

ANIMAL AND SPECIMEN STUDIES HUP5/6

| | |
|--|---|
| With tech support and during "prime time hours" (government) | \$500 PER HOUR |
| With tech support and during "prime time hours" (industry) | \$650 PER HOUR |
| Without tech support and after-hours | \$500 must pay for first hour then subsequent hours of that same session can be "no cost" |

SMILOW CTR FACILITY

| | |
|----------------------|----------------|
| With tech support | \$300 PER HOUR |
| Without tech support | \$250 PER HOUR |

NEUROIMAGING CORE

| | |
|---|--------------------------------|
| Non cancellable scantime block of 4 hours | \$375 per hour(7T and 3T only) |
| Stimulus/Response Equipment Usage Fee | \$50/scan |
| Computerized Neurocognitive Battery | \$50/subject |
| Blood Sampling for Genotype | \$50/subject |
| Computing Cluster Account (Basic) | \$100/year |
| Computing Cluster Account (Enhanced) | \$1200/year |
| Basic Cluster Storage | \$700/TB/year |
| Additional Cluster Storage | \$750/TB/year |
| System Administration Support | \$100/hour |
| Pipeline Customization | \$100/hour |
| Structural MRI Segmentation and Analysis | \$300/dataset |
| DTI Basic Analysis | \$250/dataset |
| DTI Connectome | \$350/dataset |
| Oral Contrast Agents | \$10 oral contrast (per use) |
| Image Reconstructions | \$100 per exam |
| CD Request | \$25 per exam saved to CD |
| MRI without technologist | \$425 per hour |

CT - HUMAN RESEARCH SCAN RATES (CACTIS)

NON-INDUSTRY SPONSORED RATES

| | |
|---------------------------------|------------------|
| CT (Government sponsored study) | \$250 per ½ hour |
| | \$400 per hour |
| CT (Investigator initiated) | \$250 per ½ hour |
| | \$400 per hour |

INDUSTRY SPONSORED RATES

| | |
|--|------------------|
| | \$350 per ½ hour |
| | \$550 per hour |

CT – OPTIONAL RESEARCH FEES

CT Intravenous contrast \$25 per IV contrast injection
Oral contrast \$10 oral contrast (per use)
ISTAT
(creatinine blood test) \$50 per scan

READER SERVICES

Body Imaging Reader Fee \$100 per CT exam (combined)
(Includes abdomen/pelvis, non-contrast studies only)
CHEST IMAGING READER FEE (only non-contrast studies) \$55
NEURORADIOLOGIST READER FEE (only non-contrast studies) \$55 per CT exam

CT - 3D LAB IMAGING SERVICES

CD creation - Image anonymization (IAAR account) \$25 per scan
Additional 3-D reconstructions \$100 per study
ISTAT
(creatinine blood test) \$50 per scan

CT ANIMAL SCANS

NON-INDUSTRY SPONSORED RATES

CT (Government sponsored study) \$250 per ½ hour
\$400 per hour
CT (Investigator initiated) \$250 per ½ hour
\$400 per hour

INDUSTRY SPONSORED RATES

\$350 per ½ hour
\$550 per hour

CT – OPTIONAL FEES

IV Contrast Agents \$25 per IV contrast injection
Oral Contrast Agents \$10 oral contrast (per use)
Image Reconstructions \$100 per exam
CD Request \$25 per exam saved to CD

CT SPECIMEN/PHANTOM STUDIES

NON-INDUSTRY SPONSORED RATES

CT (Government sponsored study) \$250 per ½ hour
\$400 per hour
CT (Investigator initiated) \$250 per ½ hour
\$400 per hour

INDUSTRY SPONSORED RATES

\$350 per ½ hour
\$550 per hour

CT – OPTIONAL FEES

IV Contrast Agents \$25 per IV contrast injection
Oral Contrast Agents \$10 oral contrast (per use)
Image Reconstructions \$100 per exam
CD Request \$25 per exam saved to CD
Radiologist Consultant Fee \$300 per hour
