Join us for a fresh look at immigration reform and the impact of public discourse focused on this topic. The panel of presenters, including Stephen Glassman, Chairperson of the Pennsylvania Human Relations Commission, Brad Baldia, Executive Director of the Pennsylvania Immigration and Citizenship Coalition (PICC), and Sarah Paoletti, who directs the Transnational Legal Clinic at the University of Pennsylvania will discuss current issues around immigrants, health, human rights and violence. Comments will address key concerns that arise when political and media attention directs negative attention on immigrant populations.

Presenters Include:

Brad Baldia, MPH, Executive Director of the Pennsylvania Immigration and Citizenship Coalition

Stephen Glassman, AIA, Chairperson of the Pennsylvania Human Relations Commission

Sarah Paoletti, JD, Practice Associate Professor of Law, University of Pennsylvania; Director of the Transnational Legal Clinic
