

**NIDDK P30 Center for Molecular Studies in Digestive and Liver Diseases  
Research Seminar**

**Dr. Jessie Torgersen, MD**

Assistant Professor

Medicine (Infectious Diseases) at the Hospital of the University of Pennsylvania  
Clinical Director, Center for Viral Hepatitis at Penn Presbyterian Medical Center

***"Application of Artificial Intelligence Tools to Clinical Image Repositories for Real-World Evaluation of Fatty Liver Disease in People with and without HIV"***

Thursday, November 30, 2023

12:00 – 1:00 PM EST

901 Biomedical Research Building

Lunch is provided, all are invited.

901 Biomedical Research Building or <https://penmedicine.zoom.us/j/98939770145>

The goal of this seminar is to review current epidemiology of fatty liver in people with HIV, highlight knowledge gaps, and examine applications of artificial intelligence in electronic health records to evaluate determinants and outcomes of fatty liver among people with and without HIV.
