

**NIDDK P30 Center for Molecular Studies in Digestive and Liver Diseases  
Research Seminar**

**Kelley Weinfurtner, MD**

Instructor of Medicine/Researcher

Department of Medicine-Division of Gastroenterology and Hepatology, University of Pennsylvania

*"Developing Precision Medicine Strategies in Hepatocellular Carcinoma"*

Thursday, February 29th, 2024

12:00 – 1:00 PM EST

Lunch is provided, all are invited.

901 Biomedical Research Building or <https://pennmedicine.zoom.us/j/92047751580>

Dr. Weinfurtner will discuss how different metabolic phenotypes in genetic subtypes of HCC impact the response to transarterial chemoembolization. She will also discuss the development of novel humanized rodent models to investigate the response of these subtypes to combination immunotherapies.
