Donor Recognition: The Pavilion

Nicolson Associates Inc., Michigan

NICOLSON+ASSOCIATES, INC.  DONORSIGNS

- **Overview:** Nicolson Associates, Inc. is a creative environmental design consultancy focused on helping non-profits recognize their donors. Our experienced, knowledgeable staff create, design, construct and install recognition structures that are meaningful, relevant, timeless and celebrate philanthropic generosity.
- **Production Process:** Company infrastructure and partners: Our staff includes creative designers, project managers, development professionals, and highly skilled custom fabricators. We provide full turnkey services with our own forces including design, fabrication and installation.
- **Biggest Clients:**
 - Karmanos Cancer Research Center, Detroit MI
 - UCSF Benioff Children's Hospital, Oakland CA
 - Canadian Museum of Human Rights, Winnipeg, MT
 - St. Mary Mercy Hospital, Livonia MI
 - Beaumont Health, Farmington MI

Detroit Zoological Park, Royal Oak, MI

- **Overview:**
We designed, fabricated and installed the donor recognition elements for the Polk Penguin Conservation Center, the recognition design started just as construction was beginning.
- **Biggest challenge:**
Getting design approvals from a large group of stakeholders that rarely met together.
- **Point of pride:**
The creative design fits well with the architectural vision.
