

Penn Medicine

Office of Outreach, Education, & Research

“One Table, One Hour”

July 13, 2026

1-2 pm in Houston Hall, Bodek Lounge

Thank you to the **13 Penn volunteers** that came out to showcase their department by hosting a table at this event! Approx. 80 summer program high schoolers were in attendance, all of whom were interested in learning more about a career in medicine. The engaging demos and conversations between the high schoolers and volunteers received lots of positive feedback.

The following departments/labs were represented:

- Mobile CPR Project
- Penn MERT
- Penn ACT First
- BioBank
- Institute for Diabetes, Obesity, & Metabolism- Lazar Lab
- Neuroscience- Bashaw Lab, Sehgal Lab
- Cell & Developmental Biology- Mullins Lab
