Join a new Community Medicine Leadership Fellowship

Community Medicine Leadership for ACTION
A West Philadelphia Access, Continuity and Transitions Network

Become a future leader, educator, and practitioner of health care transformation

Commit to 8-hours in person every month for the following opportunities:

- Build your leadership and quality improvement skills
- Collaborate with a network of clinical providers and primary care leaders in West Philadelphia
- Develop advanced skills in:
  - Panel management and population health
  - Integrated behavioral health
  - Rapid cycle quality improvement initiatives
  - Transitions in care
  - Evidence-based interventions for High-Cost, High-Needs patients
  - Interprofessional team-based care

The Fellowship in Community Medicine Leadership for ACTION, the new West Philadelphia care network of primary care provider champions and educators who share complex and high-utilizing patients, begins July 2019

The 12-month clinical fellowship trains physicians and physician assistants to lead healthcare transformation and improve health within underserved communities and community-based practice settings.

Participants are supported by a HRSA funded $10,000 stipend to cover expenses

Invitation for Primary Care Training Enhancement Fellow Application

Program Mission
The purpose of the training is to develop leaders with specific instruction and development in the areas of panel management, care coordination, and quality improvement to lead health care transformation.

Desired Outcomes
The 12-month clinical fellowship trains physicians and physician assistants to develop, enhance, and implement essential population health skills in primary care settings.

Team and Collaborators
The Perelman School of Medicine at the University of Pennsylvania, in collaboration with the other Penn health professional schools, the Southeast Pennsylvania Area Health Education Center, the Health Federation of Philadelphia, federally qualified health centers, and other safety net providers in West Philadelphia are committed to serving the larger West Philadelphia community through this new fellowship program.

Criteria and Eligibility
There are currently five openings for primary care provider fellowship (PCP)
Applicants are required to submit (1) Letter of Interest; (2) Curriculum vitae / Resume.

The deadline to submit application materials is Tuesday, April 30th 2019
