Dear presenting and/or corresponding authors,

We are looking forward to your oral presentation at the Fully 3D 2019 conference. AS a reminder, we are re-sending these guidelines for the oral presentations.

NOTE: If you are not the presenting author, please direct this email also to the presenting author and notify us immediately with the name of the presenting author if the name of the presenting author is not correctly underlined in the enclosed program.

All presentations must be in English and will be 17 minutes with 3 additional minutes allocated for questions. Presentations must be electronic and compatible with Microsoft Windows using PowerPoint or PDF. The projector will use an aspect ratio of 16:9. Presentations must be uploaded in advance onsite at least two hours in advance of your session.

Additional details:
- final (updated) program is included - see you talk number in the program
- include your talk number (Session #).(Presentation #) (e.g., DL-1.3) in the top right corner of the first slide using large visible font
- be ready in the room 10 minutes before the beginning of the session and identify yourself to the session chairs

We look forward to seeing you in Philadelphia.

Best regards,
Samuel Matej, Program Chair
Scott Metzler, General Chair
