The GCEA's NMS Match Fee Waiver

Application Information

The Genetic Counseling Education Association (GCEA) has established a waiver program for the \$100 fee associated with the NMS Match. Prospective students who demonstrate financial need AND have a cumulative GPA of 3.0 or greater can apply for a match fee waiver. Prospective students should apply for a fee waiver BEFORE registering for an NMS number. [Click here to be linked to the Match Fee Waiver Application.](#)

Applications for the match fee waiver are due by October 4, 2024. There are a limited number of waivers, so not all applicants will receive a waiver. Instructions for how to register for the NMS match will be provided to those who receive a waiver.
