NMS Match Fee Waiver Application Information

The Association of Genetic Counseling Program Directors (AGCPD) has established a waiver for the \$100 fee associated with the NMS Match. Prospective students who demonstrate financial need AND have a cumulative GPA of 3.0 or greater can apply for a match fee waiver. Prospective students should apply for a fee waiver BEFORE registering for an NMS number. [Click here to be linked to the Match Fee Waiver Application.](#)

Applications for the match fee waiver are due by October 6, 2021. Applicants will be notified on November 1, 2021, as to whether they have received a waiver. There are a limited number of waivers, so not all applicants will receive a waiver. Instructions for how to register for the NMS match will be provided to those who receive a waiver.

Waivers are non-transferable to future Match cycles and cannot be transferred by the recipient to another prospective student. Prospective students who are granted fee waivers in October must register for the Match by January 1, 2022. Any waiver not used by January 1, 2022 will be rescinded and may be granted by AGCPD to a different prospective student.

Prospective students who are applying for a match fee waiver will be required to write a short essay and to upload at least one of the following documents demonstrating financial need:
