

Penn Radiology Global Health Imaging Case Competition

Case Competition Focus: World Wide Edition

October 12th, 2024
@ 9am EST

The Global Health Imaging Case Report Competition is a collaboration between the Departments of Radiology at Penn Medicine and Children's Hospital of Philadelphia (CHOP), along with the Perelman School of Medicine Center for Global Health. It was designed for medical trainees in low- and middle-income countries to present cases unique to their region. The free virtual webinar event features presentations by the finalists and a keynote speaker.

Abstracts Due Sept. 13th @ 9am EST
