ONE MISSION: help military families get back to better

Who We Serve
Veterans and/or military family members
• including current National Guard and Reserve members
• regardless of role or discharge status
• with a focus on Post-9/11 era

How To Make An Appointment
• Call: 844-573-3146
• Email: MFCinfo@upenn.edu
Ask about early morning and evening appointments, transportation assistance, and telehealth options.

What We Do
Provide confidential, personalized, evidence-based behavioral health care, regardless of insurance or ability to pay, including short-to-medium term outpatient therapy for:
• Individuals (adults and children)
• Couples
• Families
Medication Management and Brief Case Management are available for therapy clients.
