

Saving Lives • Supporting Families • Sustaining Futures

► Who We Serve

We serve the entire military family, including:

- post-9/11 Veterans, including those from the National Guard & Reserves
- Family members of veterans
- Family members of current National Guard, Reserves, & Active Duty

We serve veterans regardless of discharge status or role in uniform.

► What We Do

The Cohen Clinic at Penn is committed to serving veterans and military families.

We provide confidential world-class mental health care—at no cost and with no long waits.

► Our Services

- Individuals therapy (adults and children)
- Couples & family therapy
- Medication management
- Case management (for active therapy clients)

All of our services are also available via telehealth.

► How To Make An Appointment

Calling us at 844-573-3146 is the fastest, easiest way to get started.

Ask about telehealth, early morning & evening appointments, and transportation assistance.
