Dear Ms. Jones,

Hi, I hope that you are doing well. I have tried to reach you by telephone several times, but I have been unable to reach you since our last visit on April 27th. Please take a few moments to answer the questions below, so that I can find out how you have been feeling and how best to contact you. If you no longer wish to participate, please complete the questions so that I can collect information on your health before withdrawing you from the study.

1. Do you still wish to continue participating in the study? Yes No

2. Have you had any health problems or complaints? Yes No

If yes, please explain _____

3. Have you been admitted to the hospital since April? Yes No

If yes, what hospital: _____
when: _____

4. Please check the medications you are still taking: Aspirin
 Prilosec
 Multivitamin
 Celebrex

Please list any other medications you are taking: _____

5. May we still attempt to contact you by telephone? Yes No

If yes, what would be the best time(s) and day(s) of week to call?

What would be the best telephone # to reach you?

Please sign your name here

I have enclosed a self-addressed envelope for you to return this letter. Thank you for your response, it is very important that we collect your information for our study.

I look forward to hearing from you, and if there is anything else I can do for you, please feel free to contact me at (215) 555-9084.

Sincerely,
