

McKay Orthopaedic Research Laboratory at the University of Pennsylvania: Inaugural Conference Grant

Who:

- STEM Junior and Senior Undergraduate Students
- Underrepresented students and students with limited research experience are encouraged to apply

What:

- Free registration to the 2021 Virtual Orthopaedic Research Society (ORS - <https://www.ors.org>) Conference
- Pre-conference meeting with current graduate students
- Post-conference reflection with a McKay Faculty member

When:

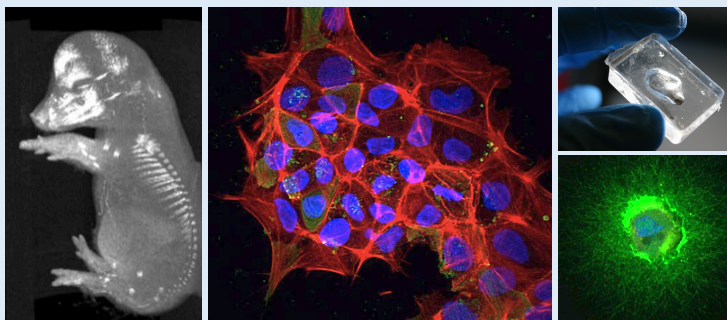

- February 12-16th, 2021

Where:

- Up to you! It's virtual!

Why:

- Experience an academic conference
- Learn about the latest orthopaedic research
- Develop research connections with experts in the field

How to Apply:

Email MckayConferenceGrant@gmail.com the following –

- Resume/CV
- One page statement addressing:
 - How will this award help you reach your goals?
 - An obstacle that has limited your accessibility to research opportunities
- **Deadline to apply is January 8th, 2021**
