

Implementation Science Institute 2018

Foundations of Implementation Science and Examples of Research Programs Tuesday, June 19

9:00-10:30	Introductions and getting to know each other – Small group work <i>Rinad Beidas, PhD; Meghan Lane-Fall, MD, MSHP; Judy Shea, PhD</i>
10:30-11:45	Introduction to Implementation Science: Adaptomes, learning systems, and convergence: Exploring frontiers in dissemination and Implementation Research <i>David A. Chambers, D.Phil., Deputy Director for Implementation Science at National Cancer Institute</i>
11:45-12:30	Theory and Models <i>Rinad Beidas PhD, Assistant Professor, University of Pennsylvania</i>
12:30-1:15	Lunch
1:15-2:00	Design and Methods <i>Meghan Lane-Fall MD, MSHP, Assistant Professor, University of Pennsylvania</i>
2:00-2:45	Small Group Work – Begin applying concepts and ideas
2:45-3:00	Break
3:00-3:45	Implementation Outcomes <i>Judy Shea, PhD, Professor, University of Pennsylvania</i>
3:45-5:00	Innovation and Implementation Science <i>Roy Rosin, MBA, Chief Innovation Officer at Penn LDI</i>

Advanced Topics in Implementation Science and Examples of Research Programs Wednesday, June 20

9:00-9:15	Check in on Concepts – Group discussion <i>Rinad Beidas, PhD & Meghan Lane-Fall, MD, MSHP</i>
9:15-10:00	De-Implementation <i>Zachary Meisel, MD, MPH, MSHP, Associate Professor, University of Pennsylvania</i>

10:00-11:00	Behavioral Economics and Implementation Science <i>Kevin G.M. Volpp, President's Distinguished Professor, University of Pennsylvania</i>
11:00-11:45	Improvement Science and Implementation Science Panel <i>Meghan Lane-Fall, MD, MSHP; Rinad Beidas, PhD; Scott Falk, MD; Michael Posencheg, MD; emceed by Judy Shea, PhD</i>
11:45-12:45	Example of Research Program <i>Shreya Kangovi, MD, MSHP, Assistant Professor, University of Pennsylvania</i>
12:45-1:30	Lunch
1:30-2:30	Small Group Work – Keep workshopping idea
2:30-3:15	Implementation Strategies <i>Rinad Beidas, PhD, Assistant Professor, University of Pennsylvania</i>
3:15-3:30	Break
3:30-5:00	Example of Research Program <i>David Mandell, ScD, Professor, University of Pennsylvania</i>

Advanced Topics in Implementation Science and Workshopping Thursday, June 21

9:00-9:30	Check in and Group Discussion <i>Rinad Beidas, PhD & Meghan Lane-Fall, MD, MSHP</i>
9:30-10:15	Community-Facing Implementation Panel <i>Linda Fleisher, PhD; Nadia Dowshen, MD; Charmaine Smith-Wright, MD; emceed by Rinad Beidas, PhD</i>
10:15-10:30	Break
10:30-11:30	Grant Writing in Implementation Science <i>Rinad Beidas, PhD, Assistant Professor, University of Pennsylvania</i>
11:30-12:30	Lunch
12:30-2:30	Group Work – Present workshopped ideas
2:30-3:30	Example of Research Program <i>Meeta Prasad Kerlin, MD, MSCE, Assistant Professor, University of Pennsylvania</i>
3:30-4:00	Conclusion, Final Questions, and Resources <i>Rinad Beidas, PhD; Meghan Lane-Fall, MD, MSHP; Judy Shea, PhD</i>
