

December 2023 Newsletter

Dear PISCE Community,

The end of the year is here! Thank you for all of your support this year. We cannot wait to share what is in store for 2024!

Congratulations to all those who presented during the 2023 Academy Health's 16th Annual Conference on the Science of Dissemination & Implementation in Health. Thank you for those who attended our Happy Hour at Highline RxR!

When we return in January we have many new winter events! Please see the upcoming events section for more information.

Best wishes,
The PISCE Leadership Team

Announcements

We are thrilled to announce our newest partnership with the Penn Center for AIDS Research's (CFAR) new Implementation Science Core. Two of our Directors, Meghan Lane-Fall and Kate Rendle, were named core co-directors. Throughout the year we will host many co-sponsored events and meetings to attend!

Please reach out to [Day Prescott-Moore](#) if you are interested in joining CFAR IS Core's List Serv.

**For more information on the CFAR IS
Core**

2:00pm - 3:00pm

Hybrid

In-person Location: Stemmler Hall, Room 316

Light refreshments will be provided to on-person attendees!

[Register Here](#)

Know someone working on IS-related research?

We are looking for a Penn/CHOP faculty, staff or student with an implementation science lens or aim(s) in their research project to present

during our February and March Work-In-Progress session!

**Sign Up Here To
Present!**

Publications by Penn/CHOP Researchers

Jackson SS, Lee JJ, Jackson WM, Price JC, Beers SR, Berkenbosch JW, Biagas KV, Dworkin RH, Houck CS, Li G, Smith HAB, Ward DS, Zimmerman KO, Curley MAQ, Horvat CM, Huang DT, Pinto NP, Salorio CF, Slater R, Slomine BS, West LL, Wypij D, Yeates KO, Sun LS. (2023). [Sedation Research in Critically Ill Pediatric Patients: Proposals for Future Study Design from the Sedation Consortium on Endpoints and Procedures for Treatment, Education, and Research IV Workshop.](#) *Pediatr Crit Care Med.*

Russell-Babin K, Friesen MA, O'Brien AM, McLaughlin MK, Messing J, Mowery B, Bettencourt AP, Graling PR. (2023). [A Nurse-Led Implementation Science Specialist Program.](#) *Am J Nurs.*

Implementation Science News

The cross-journal Collection, [Implementation of Evidence-Based Practices for Improving Maternal and Neonatal Health](#), is now officially open for submissions.

This collection, by Implementation Science and Implementation Science Communications, welcomes submissions of research in high- and low-income countries and spanning preconception, pregnancy, intrapartum, and postpartum care, as well as outpatient, inpatient, and community-based settings.

Investigations that incorporate health equity considerations, with a goal of ensuring that all people can access evidence-based care to improve the health of birthing populations, are encouraged. In addition, we encourage work that takes a community engaged approach to research.

Submission Deadline: 30 April 2024

Click [here](#) to submit.

Educational Opportunities

Penn Implementation Science Certificate

Applications are now open for the Summer 2024 start of the Implementation Science Certificate! Current degree-enrolled students and nonstudents are both eligible to apply. **Admission is open to ALL.** Click [here](#) for more information.

Coincidence Analysis (CNA) Workshop

May 20-23, 2024
RUSH University Medical Center, Chicago, IL

Registration is now open for the four-day CNA training event held in person from May 20-23, 2024 in Chicago. This event will be located at RUSH University, and hosted by RUSH faculty members John Rich, MD and Ted Corbin, MD. No prior knowledge of CNA is required. This will be the first time in seven years that this workshop has been offered in the United States. In addition, the 2-day CNA conference in Chicago that immediately follows the training is now accepting abstracts.

For more information and to register, click [here](#).

Save The Date!
The 8th Annual
Penn Implementation Science Institute

June 11-14, 2024
Virtual

Registration will open in early 2024. Please share the [Save The Date](#) with anyone who may be interested in attending!

Job Opportunities

Assistant Professor - Epidemiology - Implementation Science at the University of Pennsylvania Perelman School of Medicine

The Department of Biostatistics, Epidemiology and Informatics at the Perelman School of Medicine at the University of Pennsylvania is seeking candidates for several Assistant Professor positions in either the non-tenure clinician educator track or the tenure track. Expertise is required in the specific area of implementation science methods development and applications, with the ability to establish oneself as a research leader in their area of specialization.

Qualifications:

- Applicants must have a Ph.D. or equivalent degree.

For more information and the application, click [here](#). **Deadline to apply is August 18, 2025.**
