Supplementary Note to School of Medicine Policy No: FA – CAP – 001

**CAPITAL APPROVAL AND AUTHORIZATION**

Reference: **II. POLICY STATEMENT**

As of September, 2000, a temporary approval step is in place. The School of Medicine must provide the sign-off of the Interim Dean and obtain the approval of the Provost of the University for all capital projects with projected costs in excess of \$100,000. This special condition will remain in effect until lifted by the Provost.
