

3RD FOCUS ON PROSTATE CANCER

Friday, October 18, 2024

Overview

The **3rd Annual Focus on Prostate Cancer** conference is designed to address the personal and medical issues of those whose lives have been affected by prostate cancer. Gain knowledge and take action by getting important information from expert speakers. Find hope and support through inspiring stories, expert insights, and live virtual Q&A sessions.

Who Should Attend

- Those at risk and anyone affected by prostate cancer
- Family members, caregivers, advocates, healthcare professionals, and members of the public

Learning Objectives

Patients and families will be able to:

- Identify the latest advances in prostate cancer treatment
- Identify strategies for follow-up care related to survivorship and late effects of prostate cancer treatment
- Demonstrate patient-active behavior in working with the healthcare team to make ongoing treatment decisions
