Building Announcement Notification System

• Web enabled “opt-in” for announcements regarding SoM building operations now available

• Notifications provide important information regarding building services and utilities, including shut-down notices, emergency announcements, and general updates regarding facilities.

• Announcements may have implications for the use of the School’s facilities - and require action on your part in response to the notification.
Building Announcement Notification System

The process is simple:

1. Go to http://my.med.upenn.edu and login with your PennKey.

2. Select “Listserv Manager from the left hand column.

3. Click on the buildings for which you would like to receive announcements.

4. Logout in the upper right hand corner.
