Adding an icon shortcut to your phone for the COVID Learning website

Apple, using Safari

1. Open the web browser on your phone.
2. Go to https://www.med.upenn.edu/uphscovid19education/.
3. Select the arrow button at the bottom of your screen.

4. Tap Add to Home Screen and then Add.

5. Look at your phone’s home screen. You’ll see a new icon that will take you to the COVID Learning website.
Android, or Apple using Google Chrome

1. Open the web browser on your phone.
2. Go to https://www.med.upenn.edu/uphscovid19education/.
3. Select the ellipsis (three dots).

4. From the menu, select Add to Home screen and then Add in the window that appears. Your menu and windows might look different than the screenshots below, depending on the type of phone you use.

5. Look at your phone’s home screen. You’ll see a new icon that will take you to the COVID Learning website.
