Adding an icon shortcut to your phone for the **COVID Learning** website

Apple, using Safari

- 1. Open the web browser on your phone.
- 2. Go to https://www.med.upenn.edu/uphscovid19education/.
- 3. Select the arrow button at the bottom of your screen.

4. Tap Add to Home Screen and then Add.

5. Look at your phone's home screen. You'll see a new icon that will take you to the COVID Learning website.

Android, or Apple using Google Chrome

- 1. Open the web browser on your phone.
- 2. Go to https://www.med.upenn.edu/uphscovid19education/.
- 3. Select the ellipsis (three dots).

4. From the menu, select **Add to Home screen** and then **Add** in the window that appears. Your menu and windows might look different than the screenshots below, depending on the type of phone you use.
