

Department of Health CDC – for patients struggling with homelessness:

If you have a patient who is struggling with homelessness and needs to be quarantined (but not necessarily admitted), please follow these steps:

- **Call** the Dept of Health Center for Disease Control
 - Daytime: **215-685-6742**
 - Evenings after 5: **215-686-4514**

- Department of Health is able to place individuals 7am-7pm

- If you are unable to reach someone, please **TEXT** Fred Gigliotti from Homeless Services at **267-593-2762** and explain who you are and what the issue is.

- If patients present after hours, you may have to hold them until Department of Health opens.
